Principals Report
Welcome back!!

It has been a very busy start to the year for
everyone at Whian Whian School. Firstly I want to
welcome all our students who are beginning their
time at Whian Whian public School and of course
their whole families. These people are Bradley,
Clancy, Polloi, Ryley, Sophia, Sophia (that’s right,
two Sophias in Kindergarten), Arlyn and Tiana. I
also want to send a great big welcome “back” to
Mim and her family.

The canteen roster is on the notice board for the
whole year. All you need to do is pick a day that
suits you and on that day send in some treats for
the children to share for morning tea. You do not
need to be here at all. We will organise the serving
for the kids. Don’t forget to send in some fruit to
be added to the fruit platter we cut up on Fridays
for the children to share as well.

We will be conducting a parent information session
at 3.30 on Tuesday 10th of February (next week).
This will outline everything that is planned for the
beginning of this year for our school. It will also
help to explain many of the programs that are
happening at school as well as helping with
understanding all that goes on during the week for
the children and Parents.

Coming into the annual flood season, it is good to
have a plan. If no teaching staff are able to get to
school, we will have to close the school. If this
happens all families will be telephoned. In an
extreme case this might even happen during the
day. If rising water is going to cut off staff,
children will need to be taken home. This has never
happened since I have been at Whian Whian but it
is a possibility.

We have some extra computer monitors at school.
We will be taking them away at the end of the
week. If you have use for a working monitor at
home, just take one from the undercover area at
school.

Homework is the same this year. Each child has
spelling words to practice. Children up to year 4
have home readers, older children should have a
book they are reading at home and home readers
only hinder this. All students also have passwords
to use Mathletics and reading eggs and Kinder to
Year 2 students have phonics hero passwords.

Our classes are set up with the Kinder, Year 1 and
Year 2 students working with Liz Monday to Friday
at the moment. We are hoping to make this a full
week by the end of March. Year 3, 4, 5 & 6
students are working with Dave. We will go into
much more detail at the information night next Tuesday.

Jodie will be here as usual on Wednesdays except for the first half of this term, as she will be relieving Principal at Tuntable Ck Primary School. Sharon will be here on Those Wednesdays replacing Jodie.

Clancy and Lewin’s uncle Christy came in last Friday to give a very interesting information session on bats. The kids learnt a lot and did some interesting drawings as well.

Indonesian lessons will start again on Friday. Katie and I are planning how we can cater for the great difference in the learning levels. I am sure our plan will suit all students.

Our swimming carnival is coming up. It will be at Alstonville on Friday the 13th of February. We are hoping that most parents will be able to organise transport for their children to and from the carnival. A note will be sent home this week.

K/1/2 Classroom
We are all very excited to have our own classroom this year, so far filled with 11 enthusiastic children and counting! All the students have enjoyed a busy start to 2015 and we look forward to lots of interesting learning and creating to come.

Dunoon United Football Club
Come and play soccer at Dunoon this year
Registrations now open
go online and register at myfootballclub.com.au or visit us at one of our information sessions
